- 3 She must be very clever.
- 4 That's a small number of people.

- 6 A bit mature.

- 9 That is a surprise to me.
- 10 She arrived recently.

B

- 1 There are **quite** a lot of reasons for this.
- 2 An increase in oil price doesn't **only** change the price of petrol.
- 3 It can **even** make food more expensive.
- 4 It may mean **quite** a big increase in the cost of travel.
- 5 Since 1999, the increase in oil prices has been **fairly** steady.
- 6 Because of world events, the price has increased **very** suddenly.
- 7 Before now, the price of oil in European countries was not **really** affected.
- 8 **Even** the USA, which used to be safe, may run out of oil soon.
- 9 We **really** have to change the way we live.
- 10 It is **even** more important, now, to develop other ways of producing power.
